

# World 2025 Booth Deck

Prepared By: **INX**

A thin, dark brown curved line starts from the bottom right corner and curves upwards and to the left, ending near the center of the bottom edge of the slide.

# Summary

This exhibition order form contains the list of forms related to the on-site and other logistics requirements. Please complete and return the forms before the deadline stipulated on the respective forms, so that we can ensure that the services are arranged prior to the exhibition. Do remember to keep a copy of the completed forms for record purposes.

A **standard booth space (3m x 3m and/or 6m x 3m)** will be furnished with the following furniture and fittings:

- 1 x 13 amp power socket
- 2 x banquet chairs with black spandex
- 1 x table (6ft x 2ft) with black spandex

## **IMPORTANT:**

- Any service forms received after the deadline shall be subjected to availability and any orders after the deadline are subjected to additional surcharge of the listed rate.
- All prices quoted are subjected 9% GST.
- Kindly return form to:

# What is Slipcover?

It is made of a tubular aluminium structure covered in stretch fabric. It comes in many shapes and sizes and the graphics slip over the frame like a pillow case and covers the frame completely. It is sustainable and made of 100% recyclable materials. Exhibitors can even bring home the slip cover in a carry bag to be used for future events.

The industrial zipper keeps the graphic tight for an amazingly smooth appearance. A travel bag made from 100% recycled materials is included with every frame.

Easy assembling

Spring clip tube connection

Carry bag

LED Blade Spotlight

# FORM A1 - Stand Package Arranged by INX

## Fabric Slipcover

**SUBMISSION DEADLINE: 16 April 2025**

# Electrical Layout Plan

## **IMPORTANT:**

- Indicate clearly the icons for the location of your requirements such as power outlets and spotlights on the grid.
- It is imperative that you complete this form as it will be used to install your requirements in the correct locations before you arrive on site.
- Please ensure that the positions of the lights are on the walls (unless your booth has an interior structure to which they can be attached)
- If the location plan of any service is not submitted. It will be placed at the discretion of the Official Contractor.
